("ATA" or the "Company", Nasdaq: ATAI)**, a leading provider of advanced testing technologies and testing-related services in China, today announced that it has signed an agreement to acquire Xing Wei Institute (HK) Limited ("Xing Wei"), a private education technology company that provides training solutions as well as online and mobile training platforms for corporations in China, for US\$3.19 million.

By leveraging Xing Wei's expertise in improving employee performance, ATA believes this acquisition will provide the Company with a more comprehensive set of service offerings, which will enable it to deepen its existing client relationships in China. Xing Wei's services have been utilized by reputable corporations in China.

Mr. Kevin Ma, ATA's Chairman and Chief Executive Officer, stated, "This transaction will provide long-term benefits to our Company and is consistent with our strategic plan to expand ATA's testing platform for corporate clientele. Xing Wei's online and mobile training platforms for enterprise clients and ATA's technologically advanced testing platform will result in an improved and expanded product offering and enhance overall client satisfaction."
