ATA Creativity Global Provides Updates on Status under Holding Foreign Companies Accountable Act

Beijing, China, May 6, 2022 –ATA Creativity Global ("ACG" or the "Company", Nasdaq: AACG)an international educational services company focused on providing quality learning experiences that cultivate and enhance students' creativity, today provided an update on its status under the Holding Foreign Companies Accountable Act (the "HFCAA").

The Company was provisionally identified as a Commission-Identified Issuer by the United States Securities and Exchange Commission (the "SEC") on May 4, 2022 under the HFCAA and its implementation rules issued thereunder, following the Company's filing of its annual report on Form 20-F for the year ended December 31, 2021 with the SEC on April 26, 2022. The Company understands that such identification indicates that the SEC determined that the Company engaged a registered public accounting firm whose working paper cannot be inspected or investigated completely by the Public Company Accounting Oversight Board of the United States (the "PCAOB") to issue the audit opinion for its financial statements for the year ended December 31, 2021.

In accordance with the HFCAA, the SEC shall prohibit a company's securities from being traded on a national stock exchange or in the over-the-counter trading market in the United States if the company has been identified by the SEC for three consecutive years due to PCAOB's inability to inspect its auditor's working paper. In addition, the U.S. Senate passed the Accelerating Holding Foreign Companies Accountable Act on June 22, 2021, which, if passed by the U.S. House of Representatives and signed into law, would reduce such three consecutive non-inspection years to two.

The Company has been actively exploring possible solutions to protect the interest of its stakeholders. The Company will continue to comply with applicable laws and regulations in both China and the U.S and intends to maintain its listing status on Nasdaq.
